Revival movements across West Africa have created a church that is “a mile wide and an inch deep”.

There is a desperate need to leadership training and training in the basic doctrines of the faith to counteract the Prosperity Gospel, animism (magic), and the encroachment of Radical Islam. John Edmiston will be taking pastor training seminars in four West African nations: Togo, Benin, Nigeria and Cot' D' Ivoire. In Nigeria he will be translated into the local languages, in the other nations John will be translated into French.

*John Edmiston's 28 day itinerary is as follows:*

Leave USA - 15<sup>th</sup> March

Arrive – Lome, Togo – 16<sup>th</sup> March

Drive to Benin – 23<sup>rd</sup> March

Drive to Lagos, Nigeria – 31<sup>st</sup> March

Fly from Lagos to Abidjan (Cote D'Ivoire) – 7<sup>th</sup> April

Leave Abidjan – 11<sup>th</sup> April

Arrive in USA – 12<sup>th</sup> April

The airfares have already been purchased due to generous donors. The other funds we will require are for food, accommodation, internal travel and for the local training events.

My estimate is that we will also require:

\$4,000 - for eight training events @ \$500 each

\$1,400 – accommodation for 28 days @ \$50 per night

\$600 – food and internal transport @ ≈ \$20 per day

For a total of \$6,000 - Cybermissions can find about \$2,000 of this, so we will need to raise an additional \$4,000 as soon as possible. Your help with this will be greatly appreciated!

(5) We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ,*
