

Cybermissions Projects 2020-21

Equip Leaders With New Perspectives - \$15,000

We need to completely reinvent our Phronema.org website (Phronema is Greek for mindset or worldview) so that it delivers training that changes the mindset of Christian leaders to a highly competent and very godly “Kingdom of God” perspective. The cost is in making the course dynamic, interactive and educationally effective and using new educational technologies such as H5P.

Train Christians On The Go —\$5,000

Cybermissions has over a dozen specialized training websites that provide, articles, ebooks and short courses for busy Christians who want to learn in place and in their own context. Topics include prayer, time management, emotional intelligence, grace, theology and books of the Bible.

Affordable Bible Training For Pastors —\$9,500

Harvestime International Institute—a 2 year A.A degree for a total of \$164 - designed to help pastors in Africa who need to have a diploma - \$7,000

Pastorbox Project—find manufacturer and get initial 100 units sold and in production, a wireless hotspot that distributes resources—\$2,500

Reach Oral Learners by Radio & MP3 - \$10,140

70% of people prefer to learn by audio or video.

Africa : 30 minute short-wave radio program : \$2,340 per year (\$195 per month)

USA: get on 3 local stations in key areas, \$400 a month, \$4,800 per year

EternityRadio.Org: Free MP3-based training, \$3000, for equipment and software

<https://eternityradio.org>

Cybermissions uses computers and the Internet to evangelize, train and disciple active Christians and clergy in developing nations. Cybermissions is an established ministry that has been in existence for 25 years. John Edmiston is also the author of Biblical EQ, The Spiritual Continuum and Downloading Grace From Heaven and has taught at major seminaries and numerous conferences. Cybermissions is based in northern Virginia.
